Bureau Agents, on 4/13/71, entered the residence at 1038A Pine Street, San Francisco, California. This residence was subsequently described as a bomb factory occupied by Weatherman and Weatherman fugitives. Among numerous papers located at this address was a vehicle registration in the name of MARK LAWRENCE ALTER. Also located was a Multnomah County Library book subsequently identified as having been charged out by an individual utilizing the identity of PATRICIA JUNE MC LAUGHLIN, deceased infant, born 5/5/49, Seattle, Washington, died 11/7/49. Individual utilizing MC LAUGHLIN's identity utilized ALTER's vehicle on 11/12/70, to take the driving portion of the test for an Oregon Driver's License.

Mrs. ROMONA SULLIVAN, Manager, University of Chicago Residents Office, 5316 Dorchester, Chicago, Illinois, advised on 9/16/68, that BARBARA and MARK ALTER were married on 6/8/68, and were residing at Apartment 421, 5426 Harper Street, Chicago, Illinois. She further identified BARBARA ALTER as BARBARA GOLDSBY ALTER, a student of Ethics and Society in the Divinity School at the University of Chicago.

An article appeared in the 11/14/69 issue of the "Louisville Cardinal" student newspaper published at the University of Louisville, Louisville, Kentucky, entitled "Woman's Liberation" stating that MARK and BARBARA ALTER (on their way to graduate school in California) will lead an exploratory session at the University of Louisville, described as an organizational meeting of people, both men and women, interested in examining the relationships between men, women and their society. This article identified BARBARA ALTER as a 1967 graduate from the Kentucky Southern University at Louisville. The article stated that both had been involved in men and women groups in Chicago for the past year.

Their address prior to moving to Portland, Oregon, was 5429 S. Blackstone, Chicago, Illinois.

After the discovery of the bomb factory located at 1038A Pine Street, San Francisco, California, in April, 1970, intensive investigation was conducted by the San Francisco Division to determine any addresses for ALTER in California and the result was negative as there was no record of ALTER ever living in California.

A review of the 1972 Secured Assessment Role of the City of San Francisco, California, revealed the following information:

816 Grove Street  
Resident: JACK K. BERMAN  
Owner: JEREMY and JUDITH HOKIN  
1028 Market  
San Francisco, California

690 Shotwell Street  
Address not listed

688 Shotwell Street  
Resident: EDWARD M. CASSIDY

694 Shotwell Street  
Resident: HARVEY and LUCILLA GOOD

A search of San Francisco indices re JACK K. BERMAN revealed that he is JACK KUCIEL BERMAN, Subject of SF 100-47190, and numerous security and gambling references. BERMAN was an Assistant District Attorney for San Francisco from 1947 to 1959. He is a close friend of PIERRE SALINGER. He has long been active in the National Lawyers Guild (NLG) in the San Francisco area. It is noted that the NLG is a principle source of legal support for radical organizations in the San Francisco area.

On 11/30/72, a 1963 Ford truck, California license 373791, was observed parking near 690 Shotwell, San Francisco. An unknown white female, 5'4", 110 pounds, long brown hair, was observed to open the door to 690 Shotwell and step out upon the front porch of that address. The driver of the Ford truck then unloaded what appeared to be a 4'x4' piece

SF 100-70203

of plywood and take it into 690 Shotwell. The unknown female then re-entered the address and the door was closed.

A check of California license S73791 through California DMV revealed the Ford truck was registered to EDWARD MICHAEL CASSIDY. It is noted that San Francisco 1972 Secured Assessment Roles list EDWARD M. CASSIDY as the occupant of 688 Shotwell. San Francisco indices are negative regarding CASSIDY.

A review of the San Francisco Voter's Registration Rolls revealed the following information:

Referenced communications to the Bureau reflect current investigation completed to date. Outstanding investigation by Boston and San Francisco and Los Angeles will be reported upon completion.

For the information of the Bureau, on 12/21/72 investigation at ALTER's Sandy, Oregon, residence revealed that ALTER was in contact with the following:

MANASHA BILSEY  
25 Bancroft Street  
Worcester, Massachusetts

BOB, JOSEPHINE, MICHAEL, and AMY FREEDMAN  
227 Waltham Street  
West Newton, Massachusetts.

The above has been set out in a previous communication to Boston.

Investigation on 2/1/73 revealed from college records that MARK and BARBARA enrolled at the Mt. Hood Community College, Gresham, Oregon, and attended the spring and fall terms of 1972. Both enrolled for spring term, 1973, however, neither have attended, MARK for obvious reasons.

On the same date observations at ALTER's residence, Route 2, Box 1504, revealed that BARBARA ALTER is in residence and was observed driving vehicle bearing Oregon license BFG-760, which is registered to MARK ALTER.

A knowledgeable source in a position to have information of this type advised that correspondence for MARK ALTER is being received at Route 2, Box 1504, and is not being sent to San Francisco.
